

property into Parcels A and B is subject to approval by the city of St. Helens.

The irregular shape property has its primary frontage at the corner of NE Kelly and Howard Streets. Howard Street provides one of the entry streets to Columbia Commons Business Park from Highway 30, and would be the primary access to Parcel B. The other access is from Commons Drive to the northwest corner of Parcel A.

The bulk of the site is relatively level, with a drop in elevation toward the western section, by Commons Drive, which contains an estimated 9,583± square feet of wetlands, based on a 2007 Wetland Delineation Report. The property was originally purchased for a townhome development. Other plans outlined were for a 79 lot residential subdivision, with some retail use by Howard Street.

The majority of the property is zoned mixed-use, which allows a range of uses, including single family subdivision, with a minimum lot size of 5,000± square feet. The zoning designations of General Commercial and Highway Commercial apply to less than 1± acre at Howard and Kelly Streets. (Please see Supplemental Information Package for zoning detail and deed restriction related to medical uses.)

Additional options for a mixed-use development of the property could include office and commercial uses along the entry to Columbia Commons Business Park, with the balance developed with senior housing, and apartments targeted to the affordable housing market. It could also be master-planned in its entirety, with retail and commercial uses that need a large site.

Both water and sewer services are available to the property.

LOCATION: Tax Lots 600, 100, 200, 5400. Corner of Howard and Kelly Streets

SEALED BIDS DUE NO LATER THAN 5:00 PM, WEDNESDAY, MAY 15, 2013
